Mr. J. Friedman
(b)(6)

Dear Mr. Friedman:

Thank you for your Freedom of Information Act (FOIA) request which was received in U.S. Fleet Forces Command (USFF) by email on June 13, 2014, and assigned case file number USFF 2014-21-. In your request, you asked for:

- Naval Inspector General (NAVINSGEN) investigation report that was completed in response to false allegations of poor performance/conduct issues concerning Mr. James Jones, in approximately October, 2012; and
- All documents created, and in connection with, as well as communications and correspondence, concerning Mr. Jones informal EEO complaint filed on or about November 12, 2013, with the Naval Criminal Investigative Service.

In accordance with the Department of the Navy's FOIA regulations, a diligent search of the records held by USFF was conducted and no responsive information was found. Further investigation suggests that your request falls more appropriately under the NICS Inspector General's Office and/or their EEO Office. Consequently, your request has been forwarded there for action and direct response to you. You may use the information below to follow up on the status of your request:
